# ELEMENTI DIVISORI/ PARTITION

# 3500 3502 3504 FI/1

istema di pannelli paravento componibili e realizzabili a misura. La struttura è in alluminio verniciato per esterno, i pannelli superiori in vetro temperato trasparente ed i pannelli inferiori possono essere realizzati in stratificato compatto oppure in vetro temperato satinato. Può essere ancorato a terra oppure zavorrato. E' disponibile una predisposizione per un rapido montaggio e smontaggio dei singoli elementi. Completano la collezione le fioriere ed altri accessori.

System of modular and made-to-measure screen boards. The frame is made of aluminium coated for outdoor use with epoxyd paint. The upper boards are made of tempered and transparent glass, the lower boards can be made of HPL or tempered and satin glass. The frame can be locked to the ground or ballast. Fast assembling and disassembling version is also available. Flower holder and other fittings are included in the range.

**3500**  
85X150

**3502**  
165x150

**3504**  
85X150

**FI/1**  
85 P25

I pannelli possono essere regolati in altezza in modo da permetterne il montaggio anche su pavimenti leggermente inclinati.  
The screen boards are adjustable in height to allow assembling onto slightly downhill floor.
